Proposal: Appropriation of Surplus

The Company regards the return of profits to shareholders as one of the most important management priorities. The Company's dividend policy is to maintain a payout ratio of 25% of consolidated net income and the aim is to continuously increase dividends.

The Company will effectively utilize retained earnings for enhancing product development, capital investment, and sales & marketing to improve business performance. Repurchasing of own shares will be decided from the viewpoint of increasing capital efficiency.

For the 52nd fiscal term, the Company proposes to pay a year-end dividend of ¥75 per share. Including the interim dividend of ¥75 per share, the amount of full-year dividends will be ¥150 per share, resulting in a consolidated payout ratio of 683.6%. In line with the above policy and from the viewpoint of maintaining stable dividend payment, the amount of full-year dividends will be unchanged from the previous year. The details are described below.

Matters concerning the year-end dividends

(1) Type of dividend property

Dividends will be paid in cash.

(2) Appropriation of dividend property to shareholders and total amount

¥75 per share of the Company's common stock, for a total amount of ¥6,088,258,575

As a result, the annual dividend for this term, including interim dividend, would be ¥150 per share.

(3) Effective date of dividends from surplus

June 30, 2017
